WIFE KILLS HUSBAND, SON AND HERSELF

Seizes Revolver on Return From Theatre—Thought Suddenly Mad.

NO MOTIVE FOR MURDER KNOWN

Lucas, returned from a moving picture the association of misrepresenting indusful mother: the son, to whom both father meet.
and mother were obviously devoted. Mr. Williams's talk reflects the sen

iable. Then something snapped in the brain of this perfectly commonplace.

She caught up her husband's revolver, ran to their bedroom and shot at him. The first builet missed. He awoke, sprang from the bed and tried to disarm her. She field to the dining room, and as he clutched for the revolver she shot him through the head, killing him.

make an investigation, is declared to be misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken of finding out by what logic he misleading and the task has been undertaken on the building associa

over his pillow and shot him through the mouth, the bullet veering upward and passing entirely through his head to fall upon the pillow. Her last act was to place the muzzle of the pistol be-tween her own lips and pull the trigger. The pistol with which she had murdered

vance an explanation for the murders than the self-destruction. There was just a suggestion at the often outset of the investigation that the three were killed by a burglar who gained the company of the co

were killed by a burglar who gained entrance through the unjucked bedroom window. An examination of sill and of floor showed no indication whatever that any one had climbed through the window. The suggestion was lumediately rejected therefore in the light of evidence which went to show that none and the window of the window of the shots. Practically every step she took was revealed by the police investigation which reconstructed the crime.

Embark for Panama.

Arrangements were completed last night by Col. E. F. Glenn, chief of Major-Gen. Leonard Wood's staff, and Dock Commissioner R. A. C. Smith for a parrade of the entire Twenty-ninth Infantry, U. S. A., down Fifth avenue and Broadway to the Eattery on March 17. Broadway to the Eattery on March 17, prior to the embarkation of the regi-ment to relieve the Twenty-second In-

ment to relieve the Twenty-second Infantry at Panama.

The regiment, one battalion of which has been stationed at Governors Island and the other two at Buffalo and Niagara, will be reviewed at City Hall by Mayor Mitchel and the other city officials.
